

ACHIEVER

Our
Experience
for Your
Choice

BASIC USAGE

ACHIEVER with its economic but durable **2-stage** design is the ideal choice for forklifts that do not operate round-the-clock.

HEAVY USAGE

ACHIEVER PLUS with its state of the art **3-stage** design gives best rolling resistance and low heat build-up.

ALLROUNDER

A wide tread area with center line lugs combines traction with durability and comfort.

SOLID DESIGN

Wear and chunk resistant tread compound protects both 2- and 3-stage construction.

CEYLON RUBBER

Our tires are manufactured out of Sri Lanka's finest natural rubber.

Our refined manufacturing process with the finest of Sri Lankan natural rubber has helped us produce millions of solid industrial tires under strict quality control. We utilize only the best chemicals approved by the European Chemical Directive (REACH).

All tires are designed in compliance with European Tire and Rim Technical Organization (ETRTO) and Tire and Rim Association (TRA) specifications to ensure full load capacity and safety standards. Our company is ISO9001:2015, ISO14001:2015 certified and we strive to be carbon neutral by 2023.

The ACHIEVER portfolio offers a comprehensive size range available in Standard and Clip version.

ACHIEVER

Economic 2-stage design is ideal for operations of 1,000 hours per year.

ACHIEVER

PLUS Black

The state-of-the-art 3-stage design ensures enhanced durability in heavy-duty environments.

ACHIEVER

PLUS Non-marking

The non-marking compound provides all benefits of ACHIEVER PLUS while preventing tread marking on your floors.

20" COMPLETE WHEEL SOLUTION

Industrial heavy-duty rims with disc thickness more than 12 mm are the basis of the complete wheel solution.

Rims have a 281 mm wheel hub diameter and will be mounted on a vehicle with 10 hub pilot bolt circle. A solid spacer prevents foreign objects getting stuck within twin fitment.
